

The Legend of Santa Paws Vol.2, No.4 - Featuring

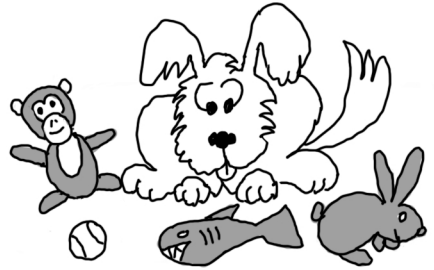

Read Vol. 1 at wasabithecat.com

My name is Herbie and I like to play

With my stuffie toys all night and all day

I like my monkey and brown bunny too

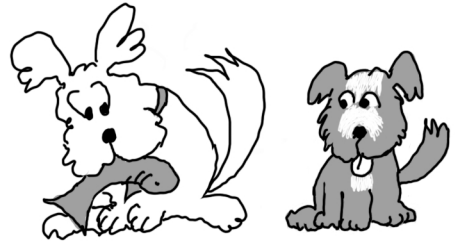

Shark is my favorite to chase and chew

Who gives me the toys, I don't really care

They are all for me so I never share

Then one day I played with a toy from Max

It was so cool, I never gave it back

Matt got so mad and he chased me around

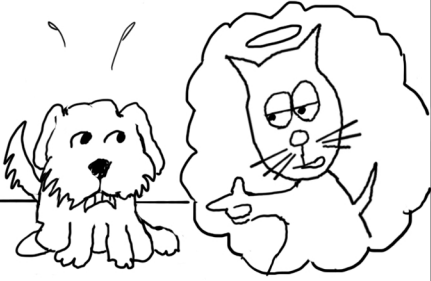

When he took it, I made a growly sound!

Then came Santa Paws & Wasabi the Cat

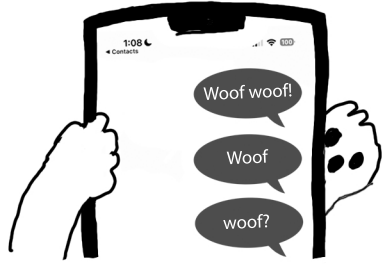

All adorned in their red holiday hats

"You have become a very selfish hound!"

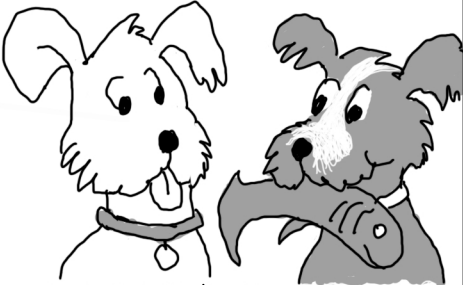

"You are alone and no friends will be found"

Suddenly I realized I lost my pack

None of my pals would even text me back

Now I share toys with all of the nice pooches

Instead of stuff I'd rather have smooches

When I get play dates I am filled with glee

No pooch in the 'hood is lucky like me

Playing with friends is the best gift of all

With doggies who are big, little, or tall

I hope you all have the same holiday fate

A lot of friends who are kind and great

**Happy New Year
and stuff like that
from Herbie, Jack,
Kari, and Matt**

About Wasabi

Wasabi was our beloved cat of 16 years who we found as a kitten. Wasabi was deaf and had a lot of issues with being nice to others. We lost him in February 2020. He was featured in the **Legend of Santa Paws** Volume 1, Numbers 1-8.

About Herbie

Herbie is our girl mini poodle mix who was born in March of 2021. Herbie is named after Kari, who was nicknamed "Herbie" by her brother and sister while she was still in the womb. Herbie is a very happy girl and is friendly to mostly everyone. The story of this card is based on Herbie's obsession with toys and her behavior with not wanting to share them.

About Us

2024 was an eventful year. Jack will be 16 in March and is attending high school at Saint Mary's in Berkeley. Jack developed his interest in fashion and has become a social media influencer. Kari continues to work from home as a graphic designer and Matt is still working for Salesforce. We are enjoying international travel and visited Japan and India in 2024.

This card is dedicated to our friend Max. He was Herbie's best buddy who played with her almost every day. They both loved toys. Max passed away and we miss him a lot.

A photo from our trip to India in November
